# SUMMER DRINKS LIST

## A note from THE BOATHOUSE

At The Boathouse we continue to be proud to use the best quality products that the Isle of Wight has to offer. Island produced spirits have undergone a boom in recent years, with new drinks being created constantly.

The team at Isle of Wight Distillery supply us with their award winning range of gins, vodka and rum. The newest addition added in 2023 being the Mermaid Spiced Rum, it's flying off the shelves so enjoy one today! The first legal Island whisky is to follow soon!

The Isle of Wight Gin Company supply us with two of their range; Island Spirit and Frofor which boasts botanicals traditionally used to aid relaxation!

Also in 2023 The Barnacle Brothers came to the scene with their smooth Coastal Rum featuring botanicals such as seaweed and gorse foraged on the Island.

Fantastic ales from Goddard's brewery have featured on our bars for over two decades and with a state of the art new brewing facility they will be going from strength to strength. They brew our house Best Bitter, which always slips down a treat!

The Island Espresso Company and Wight Label Tea are based in Newport and have rightly gained a fantastic reputation and many awards for their amazing coffee roasts and tea blends. Whether you love a latte, crave a cappuccino or think nothing beats a breakfast tea then these brews are for you!

Thank you
